THE PUBLISHER.

IDEAT
CONTEMPORARY LIFE

When we had the opportunity to take over WOHN!DESIGN in 2019, we did not hesitate. Being from Hamburg, we have been avid readers of the magazine from Stuttgart for many years. Since buying it, together with the long-time Editor-in-chief Stephan Demmrich and his team, we have expanded WOHN!DESIGN into one of the most sophisticated design and style magazines. What we are particularly pleased about: Many new readers support our passionate journey. Since the takeover of the publisher, the brand has grown rapidly and continues to grow in terms of retail sales and subscriptions. We have expanded the scope, improved the features of the magazine and have introduced a feature section that is aimed at meeting the highest cultural demands. As you can see, we love print and we believe in the magic of exquisitely crafted magazines – which go hand in hand with an exciting website and dynamic social media activities 24/7.

The success of the first few years has encouraged us to make further investments in brands that inspire us. IDEAT has been France's undisputed lifestyle icon for many years. It sets trends, is avant-garde, but never modernist, iconic, without ever being arrogant. In short, it suits us perfectly. The name of our publisher GOOD LIFE Publishing is an expression of our approach to life. We want to give beautiful things a stage, we believe in people who design with joy and in companies that have a sense of craftsmanship and quality. And we want to capture this energy, which we feel especially in Europe, and bring it to our readers. And therefore we have been filling the more than 250 pages of IDEAT with passion, colour, happiness and lifestyle since the beginning of 2021.

Or, to put it simply for both magazines: We fill them with good living.

Warmest regards,

Christian Peters

EDITOR IN CHIEF

CONTEMPORARY LIFE

IDEAT is much more than an interiors magazine. It is a meeting point for the most interesting trends and currents from furniture design, art, architecture, fashion, lifestyle, photography and travel. A place of encounter for cultural diversity, whose entrance is CONTEMPORARY LIFE. Saying that we mean life today from its most beautiful side.

We do not just document what we discover, experience and live out for our readers. The people and the products that inspire us are spectacularly presented in IDEAT and staged in elaborate productions. With sensational photography, lively interviews and text by authors and experts who delve deep into the world they describe.

This is how we see our readers: They are well familiar with the world of sophisticated lifestyle and are always happy to receive new, high-quality suggestions. They know about culture, design, architecture. And they are always looking for ideas and inspiration. IDEAT is aimed at people who love the urban lifestyle – and know the difference between modern and fashionable.

IDEAT is colourful, cheeky, diverse. We look for and find what is exceptional, extraordinary, special and only pick the best things that enrich the lives of our readers.

The layout of IDEAT is unmistakable. It follows a clear principle: It does not want to be the focus itself. It stays in the background and gives the magazine support and recognition value. It serves those who are covered in this magazine: creative people, companies and organisations who inspire our readers with their work.
